Judge A. W. Tourgee,
Mayville, N. Y.

My Dear Judge;--

Enclosed I hand you a letter sent to me by Mr. Belford of Belford, Clarke Company, enclosing bill for the pamphlets "Is Liberty Worth Preserving". I have just written him saying that the bill is so much above the estimate that I dislike to forward it to you. I presume it is nothing more than right that we should pay for the advertising we have in the book. If the books have been sold so that you have gotten your money back and more to I shall be glad. Please let me know what you think are the equities in the matter.

Very Truly Yours,

Wm. Brewster
