Dear Sir:-

Referring to your letter of the 18th inst. in which you say you have received no response to your letter of about three weeks ago relative to transportation; I beg to call your attention to my letter to you of Feb. 25th, a copy of which I attach hereto. I have not heard from you since I wrote that letter, consequently I do not know just what transportation you desire. If you will advise me on that point I will take pleasure in sending you the transportation.

Yours truly,

W. F. H.
