Dear Sir:-

Replying to yours dated the 26th, our foreman in-
forms us that he bound the volume just as it was arranged, and does
not recollect of seeing a Title page at all.

In regard to the mistake on the label, if you could spare the
volume for a few days and send it to us, we will rectify the same.

Send it if possible with some other binding so that we will
not have to stand the express charges fully.

Yours respectfully,

Peter Paul and Bro
J. Paul
