My dear Mrs Sargée -

I am much pleased
that we shall have
the pleasure of seeing
you on Tues. next - I
have asked a few
friends to meet you
and spend a few days
with us - I think
you will find the
afternoon train the
pleasanter to take,
as the morning
train is very slow,

carrying freight. The
of my ~~my~~ train
It leaves for Walnut
Creek on arrival of
4 o'clock boat from
San Francisco - We
will be there to
meet you -

Yours most sincerely
