Hon. Albion W. Tourgee,
Mayville,
N.Y.

My Dear Sir:-

I am in receipt of your favor dated ^{Walnut Creek} ~~Waldwick~~,
Cal., April 29th. I regret that I cannot have an article
from your pen for my first number for I am a firm believer
in your policy and intend to advocate it in the Republican
Magazine to the fullest extent of my power. I believe that
there are republicans enough in the United States who will
elect such men in the near future as will have the courage
to pass a so called "Force Bill."

I shall not go to press till about the 15th, and if you
have time and inclination to send me a few hundred words on
the "Duty of the Republican Party toward the South", I shall
be glad to have them. If not, cannot you prepare me a more
extended article for my July number, giving you till the
10th of June in which to send copy. I believe no one is bet-
ter qualified to discuss this subject than yourself, and I

know how deeply you feel every word you write. I beleive if we had had a Vice President with any nerve the Lodge Bill would have become a law, but there were too many deals with the silver men and a grand opportunity lost. I am going to fight for ~~stated~~ ^{stated} Republicanism right from the word go, no matter whom it hits or whom it hurts, and you can say just what you please on the subject if you conclude to favor me.

I am,

Very truly yours,
