Hon. A. W. George,
Mayville, N. Y.

Dear Sir:

Following out your suggestion made five years ago at Chautauque, I have tried writing a short novel laid in South America. Before offering it to any publisher I would be glad to avail myself of the criticisms you then so kindly offered.

Provided you can still
grant me as great a
favor, I will wait
upon you to read my
manuscript - at whatever
time ^{and place} shall be least in-
convenient to you.

I expect to be in Kingsport
a few days and will
await your answer
there.

Yours Sincerely,

E. James M. Carter, Clerks.

Hon. A. W. George.
