

Mount Hope Nurseries.

Rochester, N.Y., May 24 1892

Judge A. M. Torgue
Mayville N.Y.
Dear Sir -

Your of 23rd received -
We fear it is too late to
transplant the Spruces - they
have started to grow and liable
to injury in transit - You might
however plant them in August
or September that is if weather
was favorable - but not in June.

Yours truly
E. W. Parry
