

*Minneapolis, Minn.* May 24th, 1892.

My dear Comrade:--

The local committee have no seats to distribute. See enclosed note from Secretary. The fact is that while local people here are besieged for tickets, they really have nothing to do with seats, the National Committee making the distribution.

I hope you can reach here on Saturday before the Convention or earlier. Bring the whole family.

To Judge A. W. Tourgee,  
Mayville, N. Y.

Very truly yours,

*A. Wiley*
