Dear Sir:--

Your favor of the 24th inst., enclosing check for \$43.30, received and contents noted. In reply I would state that in requiring from you a re-examination we are not requiring anything upon a technicality. We require from you nothing but what you would have to furnish to any company to which you made application for insurance, and you at present stand with this company in practically the same condition as though you had never had a policy with it. The re-examination which we desire you to furnish to us will be made at our expense. I herewith return the check for \$43.30 as we cannot re-instate your policy until you furnish us with re-examination,--- as I informed you in my letter of the 21st.

Yours truly,

Charles H. Bogert Jr.
Actuary
