

AMERICAN EXPRESS COMPANY,

Woodstock, Ills., 5/30 1892

A W Jangw Esy
 may you be
 my dear Sir

your esteemed favor
 of the 25th at hand
 this am and by 8 am
 had wired Mr Dixon
 & J J Hood of Phila Pa
 I have done my
 best to get the knife
 out and in your hands

Last Monday wrote Mr
 Hood to be sure to
 have 1000 copies here by
 Thursday and cant head
 a word from him -

What the trouble is
I can't imagine -

I was much pleased
with Byssander's votes
of last Saturday & I do
believe you can name
the next president and
you will surely be entitled
to a monument to the
name where you have
furnished life batteries -

The words you send
me for the song are
must have been an
inspiration from as high
they are splendid -

Sincerely yours
W. W. Kelly
