Dear Sir

Since writing you this Am.
telegram have been changed and
it all remains with the New Ocean
to carry out your wishes -

Have also heard from J. J. Wood
& that Sat Eve he sent me by Express
500 leaflets at Chicago as directed
and have ordered 100 copies delivered to

the two leading Colored Congregations at
Chicago by my friend "Morse" & would
man in our main Office at Chicago
to be done this P.M. - How many copies
shall I send you - for distribution

I prefer your words set to the music
and will write to Mr. Wood this P.M.
to change the plate, or perhaps I had
better wait like I see the True Ocean
of tomorrow - After the 1st 1000 - they
promise to furnish the leaflets at 2¢ Per 1000
Wish I could see you as you go to
