My dear Sir

The letter

Oscar's at hand this

Am - with the words

of your composition for

song - "The Lord is our defense"

but the music is lacking -

Please inform me

what words you intend

using in each verse where

the bass takes up the

melody - and the sopranos

sing - Then pray - pray - pray - pray -

I don't quite understand

it - - It would be an

excellent thing to have the
Solar Ocean public in the
ways to the music if
you can buy it about
use me in any way to
accomplish the purpose -

Let me hear from
you when you return
from Minneapolis & by
that time I will know
if I cannot have my
printing done in Chicago

Yours truly
A. S. M. P. L.
