Dear Sir:

Your favor of the 26th ult. was duly received, and we have been waiting to find out if it would be advisable to ship the White Spruce, but regret to say that owing to the extreme heat of the past three or four days, the plants have made so much growth that it would not be safe to take them up. Regretting that we cannot accommodate you, and hoping to receive your order for next spring, we are,

Yours truly,
