Dear Sir:-

We are planning for The Golden Rule, some recent copies of which I send you, a series of articles on "Christian Citizenship," by distinguished writers. Will you furnish for that series an article of about 1500 words, on the topic, "How may the young men in the Rural Districts aid Political Reforms?" and <sup>what</sup> would ~~be~~ your charge? We would wait your leisure for the article, of course. Through our paper you would reach directly 75000 subscribers, and indirectly three times as many. We hope earnestly for a favorable reply,

Sincerely yours,

Amos R. Wells.
