The sentiment I am expressed
referring to Memorial day
"They are not dead, they
cannot die impressed me
and the first thought of
the words expressed in
music I endorse —
What shall I pay you
for three or four verses
of the character above
expressed — and do
my hand at it —
I have never published but
three pieces, — "In a little while"
"Under the shadow abiding" &
"The Lord is our Redeemer" —
