Iowa City, Iowa, June 16th 1892

Albion O. Tourge
Mayville N. Y.

Dear Sir. We are looking up men for our lecture course during the season of 92 & 93 at the State University of Iowa. And write to see if you intend to lecture any during the coming winter. If you can give us a lecture next season, please send us your subjects, terms, and the dates when you could deliver them.

Yours Truly

S. K. Stevenson
