Dear Sir:

Replying to yours dated the 21st.
If we understand you aright, we quote
one 100 Junk Boards as sample enclosed
cut 20 in. square - @ 900 per hundred piece.
We could give you straw board and
enclose sample @ 500th but it would
in that size not stand any load
without warping - We could give you lighter
weights of either if you wish - we hope to
receive your order.

Respectfully

Peter Paul & Co. Buffalo
