To Mrs A. N. Tourgee

Dear Madam:

Your letter stating loss of June  
rec'd this morning before your Express Package  
came, but a careful & thorough Examination failed  
to discover the pin. We send you wrist requests  
as nearly as possible like those ordered, but as we were  
out of size 38, substituted others which we trust may  
prove satisfactory.

We remain Yours respectfully  
J. N. Adam & Co.
