Albin W. Tanager, Esq.

Dear Sir:-

Your kind favour of the 24th last received, also your photo and for which allow me to thank you.

I regret very much for being compelled to return your photo without using it. "Current Thought" having changed its management also relieving me of all interest financially I feel it my duty to return it, as that matter I might add was a personal affair and I wrote to you of my own accord, then again, judging from the tone of your letter, and I believe, if I understand it, you forbid me to use it for any other purpose. I enclose it herewith, with a hope of its safe arrival, with which I remain

Your Obedient-Servant  
W. Drew Bloom

P.S.

Kindly send me one of your circulars for which please find stamp
