Principles.

Judge Albion W. Tourgee,

Mayville,

N.Y.

My Dear Sir:-

In reply to yours of the 7th of July I will say that about the time your article was received I was so exceedingly busy that an acknowledgement was over-looked, although I certainly intended to write you regarding it. Much of my time just then was spent at the printers and I had so much to do that many things I have found out since, were neglected. I certainly feel very grateful to you for your article, and thoroughly appreciate your kindness in preparing it for me. A few copies containing it have been sent you, and I trust you will be pleased with them. If I can ever reciprocate, I shall be only too glad to do so.

Again thanking you for your kindness, I remain,

Yours very truly,

(Dictated.)

F. B. D. Curtis
