Chautauqua, N. Y., July 8, 1892.

My dear Mrs. Tourgee:

Your letter of June 27th has been referred to me. I was surprised to know that the passes had not been sent, but I find that during my absence the supply was exhausted, and, though I was notified, in some way I failed to send them to you. I am very sorry that this should have occurred, as your names are always on our regular list, and we are only too glad to show you any courtesies in our power. Enclosed please find four passes, as usual.

Yours sincerely,

*George E. Vincent.*

Mrs. A. W. Tourgee,

Mayville, N. Y.

P. S. I find that the supply of passes is again exhausted, so I send gate tickets to two of you instead.
