

LAW OFFICE OF
HENRY W. BRUSH,
14 WEST SENeca STREET,
BUFFALO, N. Y.

Buffalo N.Y. July 9/72

Dear Mrs. Tourge:

Your kind favor at hand. Ed. did not receive his Inter Ocean and I have not seen the Bystander for last week. I should be most pleased to have the opportunity of perusing it and think it would be of great value to me. I would also be very glad if you would send me a few blank membership lists of the Association.

Ed. and I have also been quite blue over the Pittsburg affair, and its probable effect on our prospects, but I rejoice that these things have come early in the day and hope and trust that everything is coming out right.

Yours respectfully
H. W. Brush.
