Dear Sir

I am expecting in
a weeks time to sail
for New York ~~to~~ to
accompany that far
an elderly Uncle who
is going to make a tour
about the U.S.A. I was
to have accompanied him
but am prevented from
more than the voyage
& a short stay of two
days.

Are you at Mayville now? Is it possible to see you? I don't know where Mayville is - none of my maps show it - but if I go to Niagara & Toronto
line if I am not too bold - stop trouble
to Cook & Lou
\$261 Broadway New York
Can I bring it into my route. It would help me to fight the battle if I could meet you but once & talk face to face - So please tell
where I shall be calling on arrival -
We sail on 27th to "City of Berlin" (German time)
We go up the Hudson to Kingston (Ont) first
but may be Mayville could come in on my

return to New York?

In haste

Yours very truly

Chas. S. Suplee

Judge A. W. Tourgee.
