My dear Sir

I have just returned from a two weeks trip to New York and this afternoon in looking for the correction you made in the 5.05 of the Surplus on defense fund I have seriously mistaken it - would have made you a flyer in visit had I been sure of us were far from -

Original Copy

In Slavery's darkest hour
When hope had almost fled
He brought to us the jubilee
Ser. fellows thick - some with dead
He led us by the hand
Through wars encircling glare
To Freedom's promised land

In answer to our prayer

Sing to trouble you for this
Season & ever -

How many copies can you circulate
They are absolutely

I want a well bound
