

Silver Lake Assembly
N. Y.

Silver Lake.
July 26, 1892

Mr. Tongue,

I sent your wife a letter yesterday and in it extended an invitation to you, by request of Mrs Eldridge Burlingame, to accompany your wife to our reunion and give an address.

Since then I have seen Mrs. B. and she wishes me to write personally to you and ask a definite reply.

Can you come? Will you come? and will you make a speech? Send reply to me.

Yours truly,
Miss Abby Barry, Silver Lake

P.S.

In coming to this reunion
you pass the Assembly grounds
and get off at the Walker
House.
