

Silver Lake Assembly

Aug. 2, 1892.

Judge Louye,

Dear Friend,

We are  
delighted that you have  
accepted our invitation.  
You will find some one  
in waiting for you at  
Ed Walker's house Sunday  
Tuesday evening. We hope  
there will be three in  
your company.

Mrs. Burlington wishes  
me to ask you to give  
us an address at 2 P.M.  
the 10<sup>th</sup>. Mrs. Belva  
Leitchwood would like  
a number at Cassville

and she has been invited  
to be present and has  
given some encouragement.

She would if circumstances  
would permit: but we  
do not hear favorably  
from these circumstances,  
as yet. We hope to  
greet you both.

Yours sincerely  
Abby Barry.
