Dear Sir

For some time I have felt that I should like to know you, I have read most of your works, and in fact know one of the characters that you bring out in your "Fool's Errand" I refer to "Bright eyes." I was myself the unfortunate victim two years ago on the 6th of May of a mob at Laurens S.C. I was unable to do any thing for some weeks, all on account of my work for and

among the Race. If you could
get the last copy of the issue
"Review" published by the Rev L. J.
Coppin D.D. at Philadelphia Pa
that would give you a better
idea of what I am trying to
do. I enclose you some printing
that you may read. I desire
to unite myself with your work
in any way that I can help
push the cause of the colored
man. Please let me hear from
you. I am

Yours for progress.
