Wm. C. H. Foye

Dear Sir

Enclosed is a few names which I have procured I would gladly have got more signatures but ill health has prevented

I have been an abolitionist from back in thirty seven I have had the honour & pleasure of listening to Gerritt Smith and William Lloyd Garrison Myron H. Holly Alvin Stewart Abba Kelly Fred Douglas James C Jackson Wm L Chaplin and a host of others of the same stripe
It is true I was not in the war

but my only son gave his young
and brave life that this
government of ours might live
and the old flag continue to wave
