Have just rec'd yours of 17<sup>th</sup> instant  
am sorry to learn that you are  
ill, you mustn't work too hard  
or too much. When you were made  
the ~~second~~<sup>moved</sup> my immediately broken and  
unfortunately for us there is only one  
Alphonse Tougee on earth and more,  
the pity. I like your method of  
organization because of its simplicity  
and novelty. There besides there's no  
initiation, no grips, signs and goat  
riding ~~made~~ and other nonsense to  
take up ones time and money  
There's none too poor to cooperate  
with the work of your great  
organization. You are right Judge  
we shall need a car load of  
Boss Douse to help us to make this  
organization all that you have pictured  
it. I believe we can do it under your  
skilful management and leadership. Please  
don't die Judge be one with you. <sup>Your truly</sup>  
A. E. Bruce
