

Which is preferable, failure
under the leaders of the race
or success with no leaders?

Remember the 10,000 white
men who in less than 30 days
answered my call are fighting
your battles and will not worry
on the battle for worshippers.

Think of these things and get
your people to think of them.

There are plenty of villages
of a few hundred people which
lead Detroit.

Please consider this confi-
dential.

majority can achieve results.

The readiness of the white people
~~ready~~ to undertake your cause
amazes me. The steadfastness
of your people at the North
stunifies me. I think we
shall succeed without them,
but it is very humbling

When the members stop working
 the President has nothing to do.
 He proposes to add grain to grain
 until it has momentum
 enough to sweep away evil.

~~And~~ If it proposes to do more it
 has to ask each member to help
 — as much as he is willing, no
 more. B. People later to decide

~~Render~~
 some things themselves.

Don't you think it avails
 to credit your people with
 suggestions that ~~attributed~~
 to them falsely?
