

Gentlemen:

Some six weeks ago  
Mr. G. W. Dean of this place wrote  
you on my behalf, for a number  
being machine of "Bates Consecutive  
Duplicate Report." You replied that you  
could not win on the best of  
last month and nothing from  
you.

Will you kindly say whether  
you intend to purchase the machine  
at all?

I want it very badly for  
special work and don't want an  
inferior machine; but if you  
won't let me have one I shall  
have to go elsewhere and get some-  
thing to serve. Your suggestion that  
we buy some other roundabout  
affair of you, has a very queer  
flavor. If you won't let me have  
what I want, of course, I will trade

with somebody else.

I want 6 wheels, advertised  
price \$10, almost any style of figures  
will do, but "C" preferred. Send by  
Express C.O.D. with check to examine.

Please let me hear from  
you without delay.

Yours truly,

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2033
