Mrs. A. W. Tourgee;

Dear Madam;

We regret  
very much that you should have received  
the drawing in an injured condition. Our

office boy is proverbially careful, and we  
think the damage must have been  
done in the mails. We are especially  
sorry, because we have some pretty things  
made by your daughter, and should be  
glad to see more of her work.

Sincerely yours,
