Dear Judge Tanglee,

I did not see the  
article about the  
sufferers at the  
South to which you  
refer. Have you put  
it into any other  
paper you could  
send me? I should  
be glad, indeed, to

aid, when I get  
home, in any real  
effort. But, time  
is all important.

I hope to be at  
home tomorrow.
