

You will also take care to fill
in the date before signing.

If you could have at least one
definitive mark on the ribbon it
would be better.

Sign in their presence. Tell
them it is your will and call
attention to the places you have
written in - Ask them to wit-
ness it and see that they
sign in your presence and
see each other sign.

If this is not as you wish it
please indicate any changes and
I will make them.

Yours truly
