

6542

Ind du Lac Feb 1/1843

State Lyceum Bureau.

If there is nothing
in "How the way was prepared" to
offend Roman Catholics - we would like
that as most "suitable" to the day
and hour - but many of our
patrons are Romanists - with the due
amount of sensitiveness - so if there
is anything they could take exception
to in that lecture our next choice is
The Prophecy of Liberty (Whittier)

Yours truly

Josephine Dr Groat
