Hon. Albion W. Tourgee,

Mayville, N. Y.,

Dear Sir:

I was pleased to get your letter and act upon it. You will find in this week's F. F. & F., an editorial in which I have abstracted from your communication to a large extent. I trust this may bring about some such effort as you desire. I also laid the matter before our own church, and our ladies have got together, and prepared four barrels, which have already started for Arkansas. The regular Home Missionary Societies already have so much on their hands of this nature, that it does not seem worth while to burden them with more. Thanking you for your kindness in giving me the opportunity to co-operate with you in a work that I heartily enjoy.

Sincerely yours,

P. S. --- I find the railroads ready to transport goods free of charge. The express company would take them at half price, and some even, would be willing to take them free for a small amount, but were a little afraid of a precedent.
