PUBLICATIONS SUPPLIED FROM EITHER STORE

St. Paul, Feb. 7th, 1893.

A. W. Tourgee, Esq.,

Mayville, N. Y.

Dear Sir:-

Yours duly to hand, and we enclose you copies of agreement as indicated. As the contract is to be made between the copy-right owner, who is not the author, you will note the necessary changes in filling it out.

You may fill these out, execute them, and return to us, then we will execute and return one to you.

The sooner we can have the copy in hand the better. You may send copy, which I understand from you, is in type-written form, except where it is in printed proof, and all thoroughly corrected so that there will be no additional expense in proof reading, to 45 Bible House, where the plates will be made.

Yours truly,

D. D. MERRILL CO.,
