

Oberlin Ohio, Feb. 7-93.

Judge A. W. Tompse
Wayville
Ky

Honored Sir,

I desire to state
that we held a rousing
meeting at this
place on last evening
composed of residents
and students.

We appointed a
committee to draw
up resolutions and
to report some plan
by which we may
divise means by
which to arouse
Northern public

Statement in behalf
 of the oppressed Negro
 of this Country.
 I am one of the above
 mentioned Committee.
 So will you please
 send us some
 blank and information
 about the Civil Rights
 Congress and full
 statistics of outrages.
 If there be any things
 you think would be
 forward and
 send at once. Haven't
 time to write for
 price & thus send
 because we need
 information to enable
 us to formulate resolutions
 for Nov. night next.
 Enclose stamps
 for postage. Should

you know us in
this matter we
shall be greatly
aided in that work.
We are going to organ-
ize a bureau of
information in every
county and give
the facts to the
world as they are
through leading
newspapers and
will try to have
ministers to make
it the theme in their
pulpits. Advise us
at once.

Yours truly,
(Rev.) G. B. Hill,
Pastor - Mt. Zion Ch.
