Dear Mrs. Bourgeois

Your favor received  
this day. Please accept my  
thanks for same. Miss  
Bourgeois's waists have been  
finished some time, but  
I understood she was coming  
back to town, so if you will  
let me know if I am to send  
them on by mail, I will do so  
at once. If you would like  
to have any samples sent  
please let me know, as the  
Spring goods are all being  
opened now and are very pretty  
if you would like to make an  
early selection. Very truly yours  
T. E. Boyd.
