Mr. Albion W. Tourgee,
Mayville, N. Y.

Dear Sir:-- Yours of 11th inst., found me at my house where I have been most of the time since your preceding communication. Exposure and overwork have been too much for me, else I shall have written you more at length in answer to your former communications. This is the first I have undertaken to resume work and must under the circumstances be brief.

I commend your plan for the treatment of the filly; have no doubt it is the best thing to do. Take your time and manage the matter to suit your views. I want you if possible to have a foal from Lacoma with all the advantages that your judgment and treatment can give, and as you will be the owner of it, and as I trust you and yours will reap much pleasure from it, I leave the matter entirely to you. I am glad to hear that she arrived safely and hope the effects of the cold may soon pass over. I saw but little of the filly and conclude from your account of her that her keeping has been not overgenerous. Mr. Baker has bred good things and has been fortunate in selling them at private sale at a high price, and what he has put in our sale is evidently what was not in condition, unbroken, to sell at home.

Hoping you are getting the better of the Grippe and that I may hear from you as opportunity may make it convenient, I am,

Yours truly,

P. C. Kellogg
