My dear friend,

I intend in a few days to send you my photo. by way of acknowledging your graceful courtesy. Your charming little volume, Gauge & Swallow, has afforded me a good many half hours of delightful recreation since it came to hand. I can readily discern your partiality for Mr. Pinton, but commend me to "Dick Wilkins and Col. Bagster. The interviews with the Baron on the Beach, and Mr. Fairson's remarks to the North Carolina Judge, are choice bits of description and character drawing. I am very fond of picture writing. Well, I won't say any more about it.

I have one or two extra copies of the brief in Perry's case at your disposal, if you think they will be of use to our new colleagues. Besides, there are two or three weak points in the case which I would like to tell you about when you get ready.

Yours truly &c.
Jas. C. Walker
