Mrs. A. W. Sawyer

Mayville, N. York

Madam, Replying

to your favor of the 22^d with reference
to circulars of "Letters to a Friend".

We cannot find a single sample
of the old circular, containing press
copies, notices &c. If you have
any thing of the kind and will forward
to us we will try another circular
although the book has been thoroughly
advertised.

Sincerely

Cranston & Curts
