Mrs. A. W. Tougee  
Mayville, N. Y.

Dear Mrs. Tougee — One of our staff  
has just handed me the little paper,  
"Anti-Caste," containing a picture of  
a lynching scene in Alabama,  
made from a photograph in  
your possession. If you now  
have the photograph would you  
let us take it in order to make  
an engraving for The Express? It  
will be promptly returned, as will  
also the copy of "Anti-Caste" which I  
now have.

Sincerely Yours,

Frank H. Severance
