Mrs. A. W. Tourgee,
Mayville, N.Y.

Dear Mrs. Tourgee:--

Your note of the 27th just received. The illustrations for "David Balfour" are furnished by the McClure Syndicate. Mr. McClure, some months ago, came here and conferred with our artists as to the improvement of the illustrations of his service and they have been very much better since.

Sincerely yours,

Wm. H. Busbey,

Managing Editor.
