Mrs. A. W. Tourgee.

Dear Madam: Yours received. We are very sorry that Judge Tourgee is unable to fill the engagement. Will he be able to fill it in the course of two weeks? If so we would be glad to wait for him. Our situation is & briefly this. This is a country town and we have to rely quite largely on the surrounding country for patronage. After the middle of March we may expect the snow to break up after which the roads are well nigh impassible and any ~~entertain~~ entertainment might be given at a positive loss. Please answer at earliest convenience and greatly oblige

Yours truly

E. D. Niles.
