

Chicago, March 6, 1893.

Judge Tourgee

Here is enclosed  
in this letter a copy of an  
article written by me and  
which I presented to the  
pastor of a church in  
Kentucky. I would like  
you to express your ideas  
upon the subject. The  
letter was read before a  
number of pastors who  
held a meeting at  
Bethel A. M. C. church  
Monday, and all but  
one pastor heartily  
indorsed every sentiment

in it. One said that the (not through the papers  
 representation of the however) as there will  
 burning at stake of that be another meeting next  
 colored citizen in Texas Monday. I will send  
 was too strong and that you the proceedings of  
 it might make it the next meeting if you  
 harder for the colored desire them.

people of the south and  
 I write to ask you to  
 express your opinion on  
 the subject. Please do  
 not copy any of this in  
 the paper, as I do not  
 wish it to be printed.

I think the ministers in  
 Chicago are going to  
 take action upon it  
 immediately and I  
 would like an answer as  
 soon as possible. I would  
 like an answer this week

I am  
 Yours respectfully,  
 James Miles.
