

ALBION W. TOURGÉE

Mrs. pm

MAYVILLE, N. Y.,

March 8th 1893.

P. A. Parlow Esq

Sir:

I believe

Mr. Mook has informed you, — of the serious illness in my family for the last 3 months, — which has made it impossible for me to give attention to matters outside of the sick room during this time. We hope now that my mother, who has not been expected to live for the last 6 weeks, — has passed the danger point, — and that by week after next I may be able to leave her for a time, — so that there will be an opportunity for that deferred examination. I am not well myself, — but as I do not know as I shall ever be any better, — it need not be further postponed on my account.

Respectfully
Emma F. Tourgée
