Hon. O. W. Fonger  
Maysville, N. Y.

Dear Sir:-

The Star Bureau informs me that they have fixed the date of April 6<sup>th</sup> for your filling your engagement with us. This is very agreeable to us and we can assure you a good audience.

None of our committee have had the pleasure of hearing you and are somewhat at a loss to choose between your lectures. Will you kindly give us a <sup>or outline</sup> brief description of your lectures and state your preference, if you wish.

Very respectfully

W. D. Bancroft
