Dear Sir,

Having noticed the Bystanders Notes for the last past 12 mo. {twelve months} I now write to express my Gratitude and ask you your Advice. Will you please give me your Sentence on what the destiny of Colored race will be? or what do you think will soon befall us?

Would be pleased that that you note it in next weeks Issue. Can not express my regards to you for your notes.

Hoping for a timely reply I am a Col. School preceptress of Catcher Crawford Co. Ark. a girl who wish to see her race justified, Yours. Josephine Cox.
