Miss Anne L. Burgess

NEW YORK, Mar. 21, 1893

I think a book illustrated in the manner we propose for "Out of the Desert" would look better with Chapter headings and that it will be well to go ahead with them at once.

Could you give me any idea of the probable date of completing the illustrations?

Respectfully

D. Merrill

Have not yet found just the type Irish tone, but I have found another style but it does not quite suit me.
